Physics
Singapore

IPS Meeting 2022

28-30 September 2022

School of Physical and Mathematical Sciences
Nanyang Technological University, Singapore

Organising committee: Cesare SOCI (CDPT, NTU)
Dario POLETTI (SUTD)
Johnson GOH (A*STAR)
KOH Wee Shing (IHPC, A*STAR)
Shaffique ADAM (MS&E, Yale-NUS, CA2DM, NUS)
Christian KURTSIEFER (CQT & Physics, NUS)

Abstract Due: 15 July 2022

Web: <http://ipsmeeting.org>

Meeting Themes:

- * Atomic, Molecular & Optical Physics
- * Condensed Matter Physics
- * Nanomaterials, Nanodevices & Nanosystems
- * Organic & Polymer Nanodevices
- * Surface Physics
- * Biophysics
- * Laser Physics & Spectroscopy
- * Plasma Physics
- * Quantum Technologies
- * Theoretical Physics

Call for papers:

The Institute of Physics invites you to attend and submit abstracts of your recent research to the IPS Meeting 2022. Please submit your abstracts via an EasyChair website. For more information on the Meeting, please refer to <http://www.ipsmeeting.org>.
