IPS Meeting 2023

27-29 September 2023

Medicine + Science Library & Faculty of Science
National University of Singapore

Organising committee: Cesare SOCI (CDPT, NTU)
Dario POLETTI (SUTD)
Johnson GOH (A*STAR)
KOH Wee Shing (IHPC, A*STAR)
Shaffique ADAM (MS&E, Yale-NUS, CA2DM, NUS)
Christian KURTSIEFER (CQT & Physics, NUS)

Abstract Due: 1 August 2023

Web: <http://ipsmeeting.org>

Meeting Themes:

- * Atomic, Molecular & Optical Physics
- * Condensed Matter Physics
- * Nanomaterials, Nanodevices & Nanosystems
- * Organic & Polymer Nanodevices
- * Surface Physics
- * Biophysics
- * Laser Physics & Spectroscopy
- * Plasma Physics and Nuclear Fusion
- * Quantum Technologies
- * Theoretical Physics

Call for papers:

The Institute of Physics invites you to attend and submit abstracts of your recent research to the IPS Meeting 2023. Please submit your abstracts via an EasyChair website. For more information on the Meeting, please refer to <http://www.ipsmeeting.org>.
