Physics
Singapore

IPS Meeting 2026

28-30 October 2026

This year at Singapore University of Technology and Design

Organising committee: Dario POLETTI (SUTD)
Cesare SOCI (CDPT, NTU)
KOH Wee Shing (IHPC, A*STAR)
Johnson GOH (A*STAR)
Christian KURTSIEFER (CQT & Physics, NUS)

Abstract Due: 1 Sept 2026

Web: <http://ipsmeeting.org>

Some Meeting Themes:

- * Atomic, Molecular & Optical Physics
- * Condensed Matter Physics
- * Nanomaterials, Nanodevices & Nanosystems
- * Organic & Polymer Nanodevices
- * Surface Physics
- * Nuclear Physics & Safety
- * Biophysics
- * Laser Physics & Spectroscopy
- * Plasma Physics
- * Quantum Information
- * Theoretical Physics
- * Physics Education

Call for papers:

The Institute of Physics invites you to attend and submit abstracts of your recent research to the IPS Meeting 2026. Please submit your abstracts via an EasyChair website. For more information on the Meeting, please refer to <http://www.ipsmeeting.org>.
